

West Tampa Multimodal Plan

Hillsborough MPO
Metropolitan Planning
for Transportation

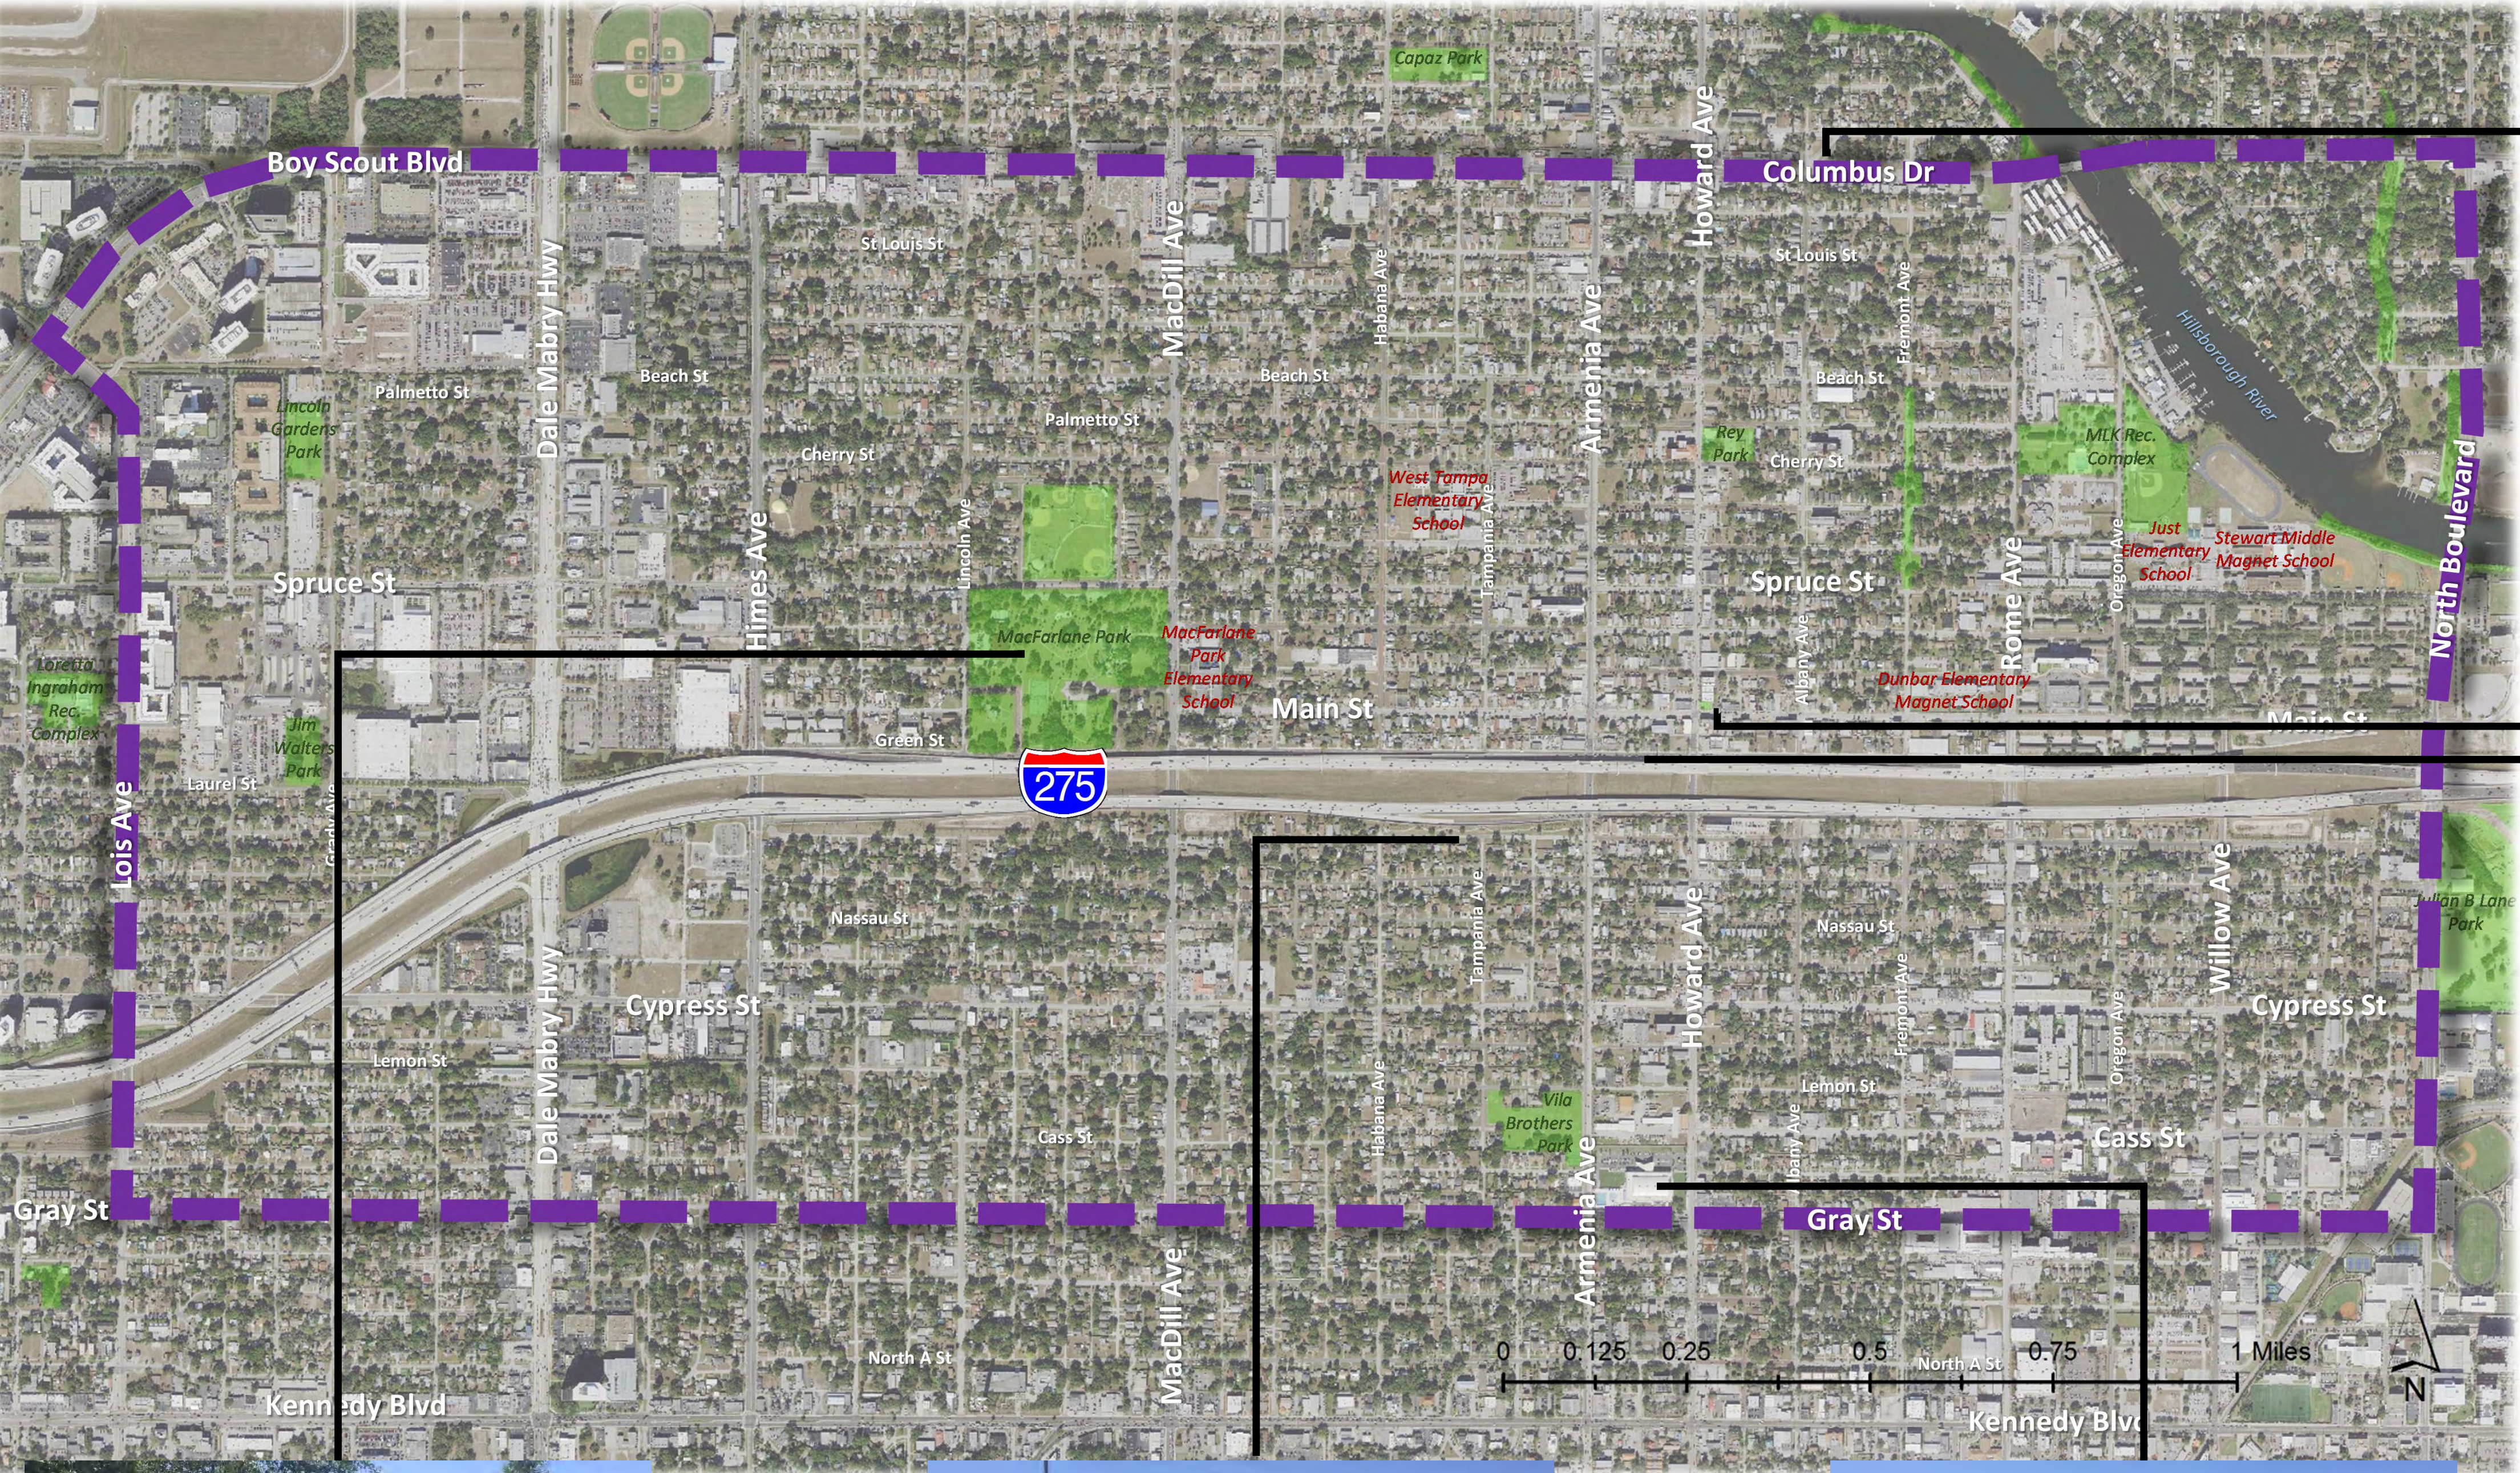

OVERVIEW

The West Tampa Multimodal Plan is an effort to identify opportunities to enhance the multimodal transportation network, improve connections between existing and planned pedestrian and bicycle facilities, and identify opportunities to implement complete streets strategies throughout West Tampa.

Study Area

West Tampa Multimodal Plan

Enhancing Connections

Explore opportunities to enhance pedestrian and bicycle connections between existing and planned facilities and to/from destinations within West Tampa.

Bicycle Boulevards

Explore bicycle boulevard/neighborhood greenway/bikeway opportunities along streets such as Gray Street, Beach Street, and Palmetto Street.

Complete Streets Enhancements

Integrate complete streets strategies and develop concept improvements along corridors such as Main Street and Columbus Drive.

Safety and Mobility Improvements

Identify general safety and mobility improvements that support the City's "Livable City" vision and provide a safe and comfortable environment for all users.
