Industry Forum: The Industry Forum provides an opportunity for Design-Build teams, including contractors, subcontractors and design consultants, to learn more about the elements and considerations of the Howard Frankland Bridge project. Attendance is not mandatory but is recommended to firms considering bidding on the project. Advanced registration is required by completing a registration form available at **TampaBayNext.com**

Technical Review Committee Team Meetings: Following the Industry Forum, Design-Build teams are invited to meet one-on-one with the project Technical Review Committee (TRC) members and with FDOT Support Services Program representatives from the Equal Employment Opportunity Office. The one-on-one meetings will be held on Monday, September 17, 2018 in the afternoon and September 18, 2018, at the FDOT District Seven Headquarters, 11201 N. McKinley Drive, Tampa, FL 33612. Maximum meeting durations will be 40 minutes with the TRC members and 40 minutes for FDOT Support Services. TRC one-on-one meetings must be prescheduled. To schedule a TRC one-on-one meeting please contact Rahnee Oliver at **rahnee.oliver@dot.state.fl.us** no later than 5:00 p.m., Monday, September 10, 2018.

The most current Draft Request for Proposal (RFP) and concept plans will be available on September 10, 2018 for industry review. The Howard Frankland Bridge Draft RFP and other preliminary project documents will be available on FDOT's File Transfer Protocol (FTP) directory at the provided link: **ftp.fdot.gov/file/d/FTP/FDOT%20LTS/D7/Procurement/DB/E7R10/**

User Name: *Guest*
